

Feed your customers and your bottom line with DTG's Mobile Food Station

With Mobile Food Stations from Definitive Technology Group, you can set up food and beverage sales areas anywhere - inside or out - so you can capture more sales while promoting physical/social distancing at:

- + Cafeterias
- + Stadiums
- + Retail Stores
- + Dining Halls
- + Arenas
- + Healthcare Facilities
- + And more!

Do More and Sell More

- + Supports any POS system, cash drawer, printer, scanner, scale and wireless/cellular connectivity
- + Brings your cashier directly to your customers to dramatically improve the in-store experience and discourage purchase abandonment
