

## Warehouse, Fulfillment and Logistics Mobile Cart Solutions

Definitive Technology Group is the global leader in the design, development and delivery of battery systems and mobile workstations. We create solutions that improve efficiencies for warehouse, fulfillment, logistics, medical, food service and manufacturing industries. With DTG mobile solutions, you will save time and money.

### DTG Mobile Carts

- + Rugged
- + Dependable
- + Customized to fit current needs
- + Easily adjusted to fit future needs
- + Industry-leading 5-year warranty
- + Guaranteed ROI within 12 months

### Returns Processing

Access Warehouse Management System in real time, increasing speed that merchandise is returned to inventory for new orders

### Inventory Control

Conduct inventory in real time, decreasing risk of errors and increasing efficiency

### Shipping and Receiving

Scan, print, apply labels and inspect pallets at point of task, reducing the number of steps needed and increasing accuracy and productivity

A top-tier electronics company turned to us to improve their shipping processes. With our mobile workstations and battery systems, they reduced average labeling and shipping time by 64 seconds per order. This time savings adds up to annualized savings of nearly \$50,000 in every fulfillment facility!

## DTG Battery System

- + Safe
- + High performance
- + Dependable
- + Configurable
- + Hybrid-swappable
- + Fanless for clean, silent and virtually maintenance-free operation
- + Compatible for any make or model of workstation
- + **Industry-leading 5-year warranty**

### Definitive-250 Battery

- + Chemistry: Lithium-Iron-Phosphate
- + Capacity: 250Wh per battery, up to 2 batteries per cart (500Wh)
- + Recharge Time: 2-3 hours
- + Safety Certifications: UN 38.3, IEC 62133, UL 2054
- + **Industry-leading 5-year warranty**

### Definitive Controller

- + Universal Input: 85-264VAC 50/60Hz
- + Internal Charger: Recharges Definitive-250 Battery in 2-3 hours
- + Backup Battery: 3 minutes of power during swap
- + Safety Certifications: UL/IEC 60601-1, CAN/CSA 22.2 and others
- + **Industry-leading 5-year warranty**

### Definitive 2-Hour Charger

- + Charge Positions: 3
- + Universal Input: 85-264V, 50/60Hz
- + WiFi enabled for battery fleet management
- + Charge time: 2-3 hours
- + Safety Certifications: UL/IEC 60601-1, CAN/CSA 22.2 and others
- + **Industry-leading 5-year warranty**

**Guaranteed ROI in 12 Months with DTG.
